## **A1 Qui Tam**

On March 10, 2015, the Judicial Conference Committee on Court Administration and Case Management amended the instructions for the Civil Justice Reform Act (CJRA) Report on pending civil cases. As a result, there is a new nature of suit code for qui tam cases brought under the False Claims Act.

When filing, please use the new 376 qui tam nature of suit code when a private citizen is originating the case with one of the following cause of action codes:

- 31:3729
- 31:3730 (new)
- 31:3731

The nature of suit code, 375, should be used when the attorney general's office is opening a qui tam case.
